Create new hydraulics

Nittoh Zohki will continue to be a company that enriches people and society by creating a new "hydraulic culture" with customers.

#### Company Overview

Company name	Nittoh Zohki Co.,Ltd.
Established	1950
Capital	323,000 USD (2018)
Business	High Pressure Hydraulic Pumps (up to 70MPa / 700 bar) , Hard disc Crusher
Headquarters	585 Takashi Mobara-City, Chiba Japan 297-0029
Tel	+81 (0)475-26-5361
Fax	+81 (0)475-27-4660
Sales office	2-4-10 Kamezawa, Sumida -Ku, Tokyo Japan 130-0014
Representative	Mr. Fujimoto Yoshihiro

#### History

1945	Founded in Mobora city, Chiba
1946	Produced vacuum tube for Hitachi, Ltd.
1950	Incorporated as Nittoh Zohki Co., Ltd.
1971	Started to produce high pressure hydraulic pumps.
1979	Provided focus coil for SONY video camera.
1987	Director General of the Science and Technology Agency Award
1993	Developed UP-35RH hydraulic pumps.
1996	Developed FM-20 metal forming and cutting / CB-5 Cutting & bending
1997	Developed FM-30 metal forming and cutting
1998	Developed UP-45SV hydraulic pumps / Industrial high power pumps
2003	Exhibited data security expo
2007	Lined up 9 kinds of Crush box
2011	Developed DB50SSD destruction for SSD
2018	Exhibited Thai METALEX UP-35RH / 45SV

#### Affiliates

SANOH KOGYO CO.,LTD	TECHNO SUPPORT NITTOH Co.,Ltd.	NITTOH DENKI (H.K.) Co.,Ltd.
---------------------	--------------------------------	------------------------------

#### Partners

TOYOTA Motor Corporation	Bridgestone Corporation	Hitachi, Ltd.	HOLMATRO, INC.
Nissan Motor Co., Ltd.	The Yokohama Rubber Co., Ltd.	Panasonic Corporation	Global Torque Wrench manufacturers
HONDA Motor Company, Ltd.	Mitsubishi Heavy Industries, Ltd.	JFE Holdings, Inc.	Global Hydraulics Stamping Presses manufacturers
SUBARU Corporation	Mitsubishi Electric Corporation	IHI Corporation	Global Hydraulics Bender manufacturers

# Hydraulics Pumps/ machines (7-70MPa / 70-700bar)

A hydraulic pump that continues to evolve. At our company, we make the hydraulic pump / equipment of the highest pressure (70 MPa). Our products correspond to various scenes, and they become necessities for our life. The UP-35RH series and UP-45SV series are very light in the market, and are used not only in Japan but around the world. It is very useful in factories and on site.

UP-35RH series

UP-45SV series

UP-65SV series

Hand Pumps series

Industrial Pumps

Cut & Bending machine

Metal Forming & Cutting machine

Cylinders

Accessories ( valves, gauge, hoses, couplers, joint )

## Safety & Quality Control

We are checking the safety of all products at our development stage. With regard to the products produced, we have delivered only products that customers can use with confidence by thorough quality control and establishing a check system in our laboratory.

## Global Network

Nittoh Zohki is focusing on building a global network in the field of manufacturing. Currently we are expanding business in Asia, Europe and America. We will continue to make high quality products tailored to customers' needs in various regions of the world.

## Applied products Hard Disc Crusher

These are hard disk destruction applying Nitto Machinery's hydraulic technology. These are the best products for the present era when security becomes increasingly strict.

if you have any further questions please don't hesitate to contact us.

Headquarters / Factory  
· JR East (Sotobo Line) Mobora station 5min walking.

Tokyo sales office / Showroom  
· JR East (Sobu Line) Kinshicho or Ryogoku station 15min walking.
